

See how the latest innovations can enhance your design and maintenance strategy in 2017.

## Plant & Equipment Maintenance

4 May 2017 — 10:00-16:30

Belzona Polymeric Ltd, Claro road, Harrogate, HG1 4DS

### WORKSHOP AGENDA

Topic	Time
<b>Refreshments</b> (09:30 - 09:55)	
<b>Introduction</b>	09:55 - 10:00
<b>Session 1 — Mechanical Repairs</b> (10:00 - 11:20)	
<b>Presentation</b>	10:00 - 10:20
<b>Practical demonstration, questions and discussion</b> Illustrating forming and machining techniques for metal rebuilding	10:20 - 10:50
<b>Practical demonstration, questions and discussion</b> Showcasing chocking and shimming applications	10:50 - 11:20
<b>Break</b> (11:20 - 11:30)	
<b>Session 2 — Internal Corrosion Protection</b> (11:30 - 12:50)	
<b>Presentation</b>	11:30 - 11:50
<b>Practical demonstration, questions and discussion</b> Illustrating an energy efficient lining for fluid handling equipment	11:50 - 12:20
<b>Practical demonstration, questions and discussion</b> Visit to the Research & Development Department to get familiar with various testing protocols and methods	12:20 - 12:50
<b>Lunch break and networking</b> (12:50 - 13:20)	
<b>Session 3 — Composite Repairs</b> (13:20 - 14:20)	
<b>Presentation</b>	13:20 - 13:40
<b>Practical demonstration, questions and discussion</b> Wrap and plate bonding demonstration, including audience participation	13:40 - 14:10
<b>Practical demonstration, questions and discussion</b> Showcasing an engineered wrap compliant to ISO and ASME standards on straights, bends and tees	14:10 - 14:40
<b>Break</b> (14:40 - 14:50)	
<b>Session 4 — External Corrosion Protection</b> (14:50 - 16:10)	
<b>Presentation</b>	14:50 - 15:10
<b>Practical demonstration, questions and discussion</b> Illustrating surface-tolerant and heat-activated coatings on contaminated sweating/hot pipes. Insulation protection and tank base sealing will also be showcased.	15:10 - 15:40
<b>Practical demonstration, questions and discussion</b> The latest innovation in coating technology - Flexible sealing and encapsulating coating - for flanges, components and other equipment.	15:40 - 16:10
<b>Summary and Close</b>	16:10 - 16:30
